Chelsea Buchholtz Commissioner Honorable Greg Abbott, Governor Honorable Jane Nelson, Chair, Senate Finance Committee Honorable Giovanni Capriglione, Chair, House Appropriations Committee Mr. Jerry McGinty, Legislative Budget Board

Greetings:

As a Self-Directed Semi-Independent agency, The Texas Real Estate Commission together with the Texas Appraiser Licensing & Certification Board respectfully submits the following information required by Texas Occupations Code Section 1105.005 (c):

(1) The salary for all agency personnel and the total amount of per diem expenses and travel expenses paid for all agency employees for the preceding five fiscal years:

| Total Agency Salaries | | | | | | |
|-----------------------|----------------------------|----------------|----------------|----------------|--|--|
| FY2016 | FY2017 FY2018 FY2019 FY202 | | | | | |
| \$5,777,500.07 | \$6,054,367.19 | \$6,543,187.14 | \$7,346,104.37 | \$8,724,281.49 | | |

| Total Per Diem and Travel Expenses for all Agency Employees | | | | | | |
|---|----------------------------------|-------------|-------------|-------------|--|--|
| FY2016 | Y2016 FY2017 FY2018 FY2019 FY202 | | | | | |
| \$42,742.88 | \$43,210.90 | \$43,911.76 | \$45,988.77 | \$34,823.83 | | |

(2) The total amount of per diem expenses and travel expenses paid for each member of the Texas Real Estate Commission, the Texas Appraiser Licensing & Certification Board, the Texas Real Estate Commission Broker/Lawyer Committee, the Texas Real Estate Commission Education Standards Advisory Committee, and the Texas Real Estate Inspector Committee for the preceding five fiscal years.

- (3) An excerpt from the agency's strategic plan 2021 2025.
- (4) 2021 annual budgets of the commission and the board, showing:
 - a) Projected budget data for a period of two fiscal years; and
 - b) Trend performance data for the preceding five fiscal years;

(5) Exhibits A1, A2, B1, B2, I1, I2, J1, K1, and K2 from the agency's FY2020 Annual Financial Report detailing all revenues and a breakdown of expenses incurred by the agency in the previous 12 months.

- (6) Trend performance data for Fiscal Years 2016-2020 for:
 - (a) The number of full-time equivalent positions at the agency;
 - (b) The number of complaints received from the public and the number of complaints initiated by agency staff;
 - (c) The number of complaints dismissed and the number of complaints resolved by enforcement action;
 - (d) The number of enforcement actions by sanction type;
 - (e) The number of enforcement cases closed through voluntary compliance;
 - (f) The amount of administrative penalties assessed and the rate of collection of assessed administrative penalties;
 - (g) The number of enforcement cases that allege a threat to public health, safety, or welfare or a violation of professional standards of care and the disposition of those cases;
 - (h) The average time to resolve a complaint;
 - The number of license holders or regulated persons broken down by type of license and license status including inactive status or retired status;
 - (j) The fee charged to issue and renew each type of license, certificate, or registration issued by the agency;
 - (k) The average time to issue a license, certificate or registration;
 - Litigation costs, broken down by administrative hearings, judicial proceedings, and outside counsel costs;
 - (m) Reserve fund balances.

If you have any questions, please contact Ranada Williams at 512-936-0102 or Melissa Huerta at 512.936.3616.

Sincerely,

sea Buchhottz

Chelsea Buchholtz Executive Director

Agency Mission

Texas Real Estate Commission &

Texas Appraiser Licensing and Certification Board

Our agency protects consumers of real estate services in Texas by ensuring qualified and ethical service providers through upholding high standards in education, licensing, and regulation. We oversee the providers of real estate brokerage, appraisal, inspection, home warranty, timeshares and right-of-way services, thereby safeguarding the public interest while facilitating economic growth and opportunity across Texas.

Philosophy

To achieve this mission, our agency:

- provides exceptional customer service that is accessible, responsive and transparent;
- demands integrity, accountability and high standards, of both license holders and ourselves; and
- strives continuously for effectiveness, efficiency and excellence in our performance.

Motto

Protecting Texans' Dreams

GOAL I ENSURE STANDARDS - LICENSING

To protect the public by ensuring license holders meet the educational, ethical, and legal requirements to provide real estate services in Texas. (Texas Occupations Code, Chapters 1101, 1102, 1103, 1104, and 1303, and Texas Property Code, Chapter 221)

SPECIFIC ACTION ITEMS TO ACHIEVE YOUR GOAL

- The Licensing & Registration Services Division of the Texas Real Estate Commission (the Commission) and Texas Appraiser Licensing & Certification Board (the Board) ensures compliance with all educational, experience, examination and application requirements through the accurate and timely review and process of applications, renewals, informational changes and histories for real estate brokers or sales agents, appraisers, appraisal management companies, inspectors, and easement or right-of-way registrants.
- 2. Real estate broker, sales agent, inspector and appraiser applicants must complete qualifying (prelicense) education to meet education requirements. In addition, real estate brokers, inspectors and appraisers must satisfy experience requirements as required by statute to ensure competency.
- 3. Real estate broker, inspector, and appraiser applicants must pass a comprehensive exam to help ensure they provide competent real estate services after obtaining a license.
- 4. After the exam is passed and prior to the issuance of a license, an applicant must undergo a criminal history background check which is reviewed by the Standards & Enforcement Services divisions of the Commission and Board to determine if an applicant's honesty, trustworthiness, and integrity meets statutory and legal requirements. A license is issued only if an applicant meets these standards. To ensure continued protection for the citizens of Texas, each license holder is enrolled in an automatic rap back program to allow the Commission and Board to be notified of any new criminal history conviction information that may impact license holder's current license status or renewal.
- 5. License holders are issued a two-year license and must complete continuing education prior to each renewal to further support the license holder's development of skill and competence in providing real estate services to Texas consumers.
- 6. Through its relationship with the Real Estate Center at Texas A&M University, the Commission has created three non-elective continuing education courses for sales agents and real estate brokers to complete during each renewal period. These non-elective courses provide consistent delivery of current and relevant information on real estate brokerage services, ethical behavior and supervisory responsibilities for brokers as well as legal updates that emphasize the most recent trends, developments, case studies, complaints, laws, statutes, regulations, disciplinary actions, and court cases as they relate to Texas real estate license holders. Inspector continuing education requirements include the completion of a non-elective Legal & Ethics course that Commission staff developed, with the cooperation of the Texas Real Estate Inspector Committee, and a non-elective Standards of Practice Review course. Both courses are required to be completed before renewal. Appraisers are required to complete a USPAP Update course for each renewal that is current to the profession.

DESCRIBE HOW YOUR GOAL OR ACTION ITEMS SUPPORTS EACH STATEWIDE OBJECTIVE

1. Accountable to tax and fee payers of Texas.

Through the efficient use of personnel, the Commission and Board have been successful in simplifying application and renewal fees and providing prompt and efficient service to license holders who are primarily Texas citizens. The Commission and Board have also eliminated the fees associated with making changes to license holder information or supervisory relationships, requesting a certificate of license history, and a paper filing fee for submitting paper applications in lieu of filing application or changes online.

2. Efficient such that maximum results are produced with a minimum waste of taxpayer funds, including through the elimination of redundant and non-core functions.

During Fiscal Year 2019, the Licensing & Registration Services division processed approximately 30,900 original applications with 16 full-time employees. As of February 2020 the division processed approximately 16,600 original real estate applications with six months remaining in this fiscal year. In addition, through the use of consistent training techniques and cross-training of staff members the agency maintains high quantity and quality of processing.

3. Effective in successfully fulfilling core functions, measuring success in achieving performance measures and implementing plans to continuously improve.

The division experienced an increase of 2% in applications from FY 2018 to FY 2019 and a 7.9% increase in the number of license holders since 2017. As of August 31, 2019, there were 197,151 real estate sales agents, brokers, inspectors and easement and right-of-way registrants and 6,688 certified or licensed Texas real estate appraisers and appraisal management companies to the agency has improved efficiency by streamlining processes and functionality. As the agency receives new applications and as current license holders renew, make inquiries or changes to information, the agency is committed to processing all documents received in a timely fashion. The ability for applicants and license holders to file applications online allows for immediate receipt of an application and more prompt and efficient processing of an application or license holder's supporting documents. Application supporting documents are forwarded to a dedicated email address at <u>documents@trec.texas.gov</u> to allow immediate access to staff for processing.

The agency recently established an electronic mechanism to measure and report the average number of days it takes division staff to process an application from the date documents are received from an applicant. This mechanism allows for better response to issues and strains on the agency as they arise.

4. Providing excellent customer services.

This agency has two licensing staff persons assigned each day to respond to emails and telephone calls that are specific to the processing of applications and renewals. All licensing staff are trained and rotate this responsibility and provide accurate and complete information to applicants, license holders, and internal staff. They are required to respond to emails and telephone calls within 24

hours and must make notes in the computer system summarizing their response to calls or the content of their emails for use by other agency staff.

Additionally, for less specific inquires that can be handled by the agency's customer service contact center, since April, 2019 the agency has maintained an average monthly hold time of less than 2 minutes and since May, 2019 the agency has responded to 100% of emails within 2 business days.

The availability of the online application status tracker on the Commission and Board websites that provides real-time status on an initial application has improved the customer service provided by the agency. The application status tracker allows applicants to check the status of an open application by visiting the agency website, and eliminates the need to contact the agency by phone or email to obtain that information.

Additionally, a license holder, has access to a renewal education information page that calculates continuing education hours that have already been satisfied by a license holder and presents real-time information regarding any courses and continuing education course hours needed for license renewal. This tool provides useful information regarding license holders' renewals at the touch of a button that that they would otherwise need to contact the agency by phone or email to obtain.

5. Transparent such that agency actions can be understood by any Texan.

The Commission and Board maintains websites and publishes a newsletter to communicate and keep license holders and Texans informed of Commission and Board actions. The public may also access Commission and Board meetings through live streaming provided by the agency. The agency also publishes processing dates on the website, as well as reports that include the average number of days to process an application. The application status tracker and renewal education information pages are open and viewable by the public.

GOAL I ENSURE STANDARDS - EDUCATION

To protect the public by ensuring license holders meet the education, ethical and legal requirements to provide real estate services in Texas. (Texas Occupations Code, Chapters 1101, 1102, 1103, 1104, and 1303, and Texas Property Code, Chapter 221)

Support the agency's mission to protect consumers of real estate services in Texas by: ensuring accurate and relevant content is provided in pre-licensing and continuing education courses; ensuring course design and delivery supports adult and active learning theories, providing the best opportunity for subject matter mastery; regularly reviewing performance of license examination test items and establishing minimum required passing scores.

SPECIFIC ACTION ITEMS TO ACHIEVE YOUR GOAL

1. The Education & Examination Services Division of the Commission and Board consists of 11 members dedicated to ensuring compliance with all education program requirements by accurately and timely reviewing and processing of education provider and course applications. The agency recently began reviewing and approving appraiser continuing education. The division is committed

to ensure current and future license holders receive quality education through oversight of both qualifying and continuing education.

- 2. Real estate broker, sales agent, inspector and appraiser applicants must complete qualifying (prelicensing) education to satisfy education requirements as required by statute to ensure competency.
- 3. Real estate broker, sales agent, inspector and appraiser license holders must complete continuing education requirements to maintain license renewal requirements.
- 4. The Commission requires various non-elective CE courses for real estate sales agents, brokers and inspectors that emphasize the most recent industry trends, developments, ethics, case studies, complaints, laws, statutes, regulations, disciplinary actions and court cases as they relate to Texas license holders. Each of these courses is reviewed by agency staff and a team of subject matter experts every two years to ensure that they remain current, and include a final exam to support subject matter mastery.
- 5. Pursuant to legislative requirements, the Commission has established a method for calculating the exam passage rates for Commission approved education providers who offer qualifying real estate and inspector courses. Education providers are ranked on the agency's website based on first time exam passage rates to ensure that data related to education quality is provided to applicants and license holders. An education provider is subject to disapproval or revocation if their first-time exam passage rate ranking is below 50% of the overall average of first-time pass rates calculated for all providers for that license category.
- 6. Real estate sales agent, broker, inspector and appraiser candidates must pass a comprehensive license examination to ensure they meet minimum competency standards to provide real estate related services.
- 7. Real estate sales agent, brokers and inspector license examination test items are reviewed annually by agency staff and subject matter experts to ensure performance standards are met.
- 8. The Board has adopted the National Uniform Licensing and Certification Examinations endorsed by the Appraiser Qualification Board of The Appraisal Foundation.
- 9. The agency supports the Education Standards Advisory Committee, the Texas Real Estate Inspector Education Subcommittee and the Appraiser Education Subcommittee by providing research and recommendations for improvements for industry related education.

DESCRIBE HOW YOUR GOAL OR ACTION ITEMS SUPPORTS EACH STATEWIDE OBJECTIVE

1. Accountable to tax and fee payers of Texas.

Through the efficient use of personnel, the Commission and Board have been successful in maintaining reasonable fees for the review of education provider and course applications.

2. Efficient such that maximum results are produced with a minimum waste of taxpayer funds, including through the minimization of fees for review of provider and course applications.

During Fiscal Year 2019, the Education & Examination Services division processed: 204 qualifying real estate and inspector courses; 2,171 real estate and inspector CE courses; 370 appraiser courses; 247 CE provider applications; and 15 qualifying education provider applications. Continuing education providers are able to electronically submit course completion records to the Commission in real time, providing added efficiencies and allowing license holders to renew more promptly. Through the use of consistent training techniques and technological advances, the agency is able to maintain the quantity and quality of processing.

3. Effective in successfully fulfilling core functions, measuring success in achieving performance measures and implementing plans to continuously improve.

The agency streamlined processes and improved functionality based on business technology testing and staff recommendations. Further success is anticipated as the agency moves more complex education applications to an online format and allows for document upload features.

4. Providing excellent customer service through development of technology-based improvements and communication.

The agency has an education staff person dedicated to answering education related calls and emails every day. All calls and emails are responded to within 24 hours, and notes regarding communications are stored in the agency's database management system. All education staff are adequately cross trained to answer detailed questions. Provider application processing goals are determined based on the complexity of the application and are successfully met on a regular basis.

A search tool maintained on agency website provides the ability to search for currently approved qualifying or continuing education courses for real estate or inspector licenses. The tool allows individuals to search providers or course offerings by city or search for a specific provider or course by name.

Additionally, for less specific inquires that can be handled by the agency's customer service contact center, since April, 2019 the agency has maintained an average monthly hold time of less than 2 minutes and since May, 2019 the agency has responded to 100% of emails within 2 business days.

5. Transparent such that the agency can be understood by any Texan.

The Commission and Board maintain websites that contain concise, but thorough information relating to license requirements, accessibility and availability of qualifying and continuing education courses, agency reports and enforcement actions. In addition to regular website updates, GovDelivery is a tool that is often utilized to send targeted notices to agency stakeholders. The Commission and Board also publish quarterly newsletters to communicate with license holders. Open meetings are available to the public onsite and through live-streaming.

GOAL II ENFORCE REGULATIONS - TREC

To safeguard the public interest by effectively and efficiently enforcing the laws and rules of the agency in a fair and consistent manner. (Texas Occupations Code, Chapters 1101, 1102, 1103, 1104, and 1303, and Texas Property Code, Chapter 221)

SPECIFIC ACTION ITEMS TO ACHIEVE YOUR GOAL

The Texas Real Estate Commission's Standards & Enforcement Services division ("SES" or "the division") handles a high volume of signed, written complaints from the public and license holders, and a smaller number of staff-initiated complaints. The agency cannot accept anonymous complaints or conduct covert investigations.

The complaints primarily concern alleged statutory and administrative violations by brokers, sales agents, and inspectors, or alleged violations by unlicensed persons engaging in activities for which a license is required. A small number of complaints also concern education providers and instructors, and easement or right-of-way certificate holders. In addition, the division oversees timeshare developers and residential service companies (both discussed further below).

The division is also charged with evaluating the criminal history of applicants for licensure. To ensure continued protection for the citizens of Texas, each license holder is also enrolled in an automatic rap back program to allow the agency to be notified of any new criminal history conviction information that may impact license holder's current license status or renewal.

DESCRIBE HOW YOUR GOAL OR ACTION ITEMS SUPPORTS EACH STATEWIDE OBJECTIVE

1. Accountable to tax and fee payers of Texas.

The Texas Real Estate Commission is committed to the protection of the citizens of Texas. SES accomplishes this through timely, fair, and consistent enforcement of The Real Estate License Act, Commission rules, Chapter 1102 of the Texas Occupations Code (governing real estate inspectors), the Texas Timeshare Act, and the Residential Service Company Act. In addition, the agency oversees the sanctions of license holders and unlicensed persons who have violated various regulatory requirements.

2. Efficient such that maximum results are produced with a minimum waste of taxpayer funds, including through the elimination of redundant and non-core functions.

From Fiscal Year 2015 through Fiscal Year 2019, the number of complaints received increased from 2403 complaints to 5885 complaints. The agency added two new staff positions to as a result of both the 145% increase in complaints received, and an increase in background history check required for new applicants.

As of April 2020, the division has 28.6 staff positions. In Fiscal Year 2015, the division had 26 staff positions. During this same period, the number of complaints resolved increased from 2315 complaints closed to 5920 complaints closed.

The increase in complaints did not adversely impact the timeliness of processing cases related to complaints. As of August 31, 2019, nearly 99 percent of complaints were less than a year old. Out of 1324 open complaints, there were only five cases over two years old.

3. Effective in successfully fulfilling core functions, measuring success in achieving performance measures and implementing plans to continuously improve.

During FY 2019, the division opened 5885 cases and closed 5920 cases. While most complaints from the public relate to the purchase, lease, or inspection of a home, a complaint may also include allegations ranging from misleading advertising to criminal history to unlicensed activity. Some complaints are closed with no action taken because of a lack of agency jurisdiction or lack of evidence. Once it is determined that the complaint is within the agency's jurisdiction, the agency notifies the license holder or other respondent, gives the person an opportunity to respond, and investigates the complaint. Almost all investigations are completed within six months of receipt of the complaint.

The agency also implements standards, reviews certain applications for a license, and makes determinations of moral character to assess the honesty, trustworthiness, and integrity of applicants. In FY 2019, the agency reviewed and closed 2216 application investigation cases and fitness determination cases, most of which involved an applicant's criminal history.

The agency also administers the Texas Timeshare Act. The Act requires a developer that desires to offer a timeshare interest for sale to a Texas resident to register the plan with the agency regardless of the location of the timeshare that is the subject of the plan. The agency reviews the registration, and any amendment application, to ensure that it meets the requirements of the Act. TREC will not register a timeshare plan until the plan fully complies with the Act.

In addition to the Timeshare Act, the agency administers the Residential Service Company Act. That Act requires the agency to license any company wishing to offer a home warranty covering existing residential property in Texas. The agency monitors residential service companies licensed to conduct business in this state to ensure compliance with the Act, including a company's ability to meet financial obligations to Texas contract holders, and assists consumers with any issues related to claim delays or denials. As of February 29, 2020, there were 57 licensed residential service companies in Texas.

4. Providing excellent customer services.

Each day, Standards & Enforcement Services assigns an attorney to respond to phone and email inquiries. A phone call must be responded to within four hours and an email within one business day. During FY 2019, attorneys handled approximately 4000 emails from the public and license holders. As of February 29, 2019, attorneys have already handled approximately 2600 emails from the public and license holders. In addition, the division has a dedicated email address (enforcement@trec.texas.gov), and phone number (512-936-3005). Further, the division has an email address dedicated only to standards issues (application and fitness determinations) (standards@trec.texas.gov). The agency also employs an ombudsman to respond to residential service company issues. The ombudsman has a dedicated phone number (512-936-3049) for

consumers with residential service company issues. In FY 2019, the ombudsman handled 278 calls from consumers.

In addition, as described above, the agency resolves thousands of enforcement cases, almost all of which are resolved within a year.

5. Transparent such that agency actions can be understood by any Texan.

The agency maintains a website with a wealth of information (<u>www.trec.texas.gov</u>), including information on complaints under "How to File a Complaint". Other complaint-related information on the website includes information on disciplinary actions and a detailed list of frequently asked questions. The website also discusses and links to the relevant statutes and all commission rules. Further, articles that discuss various enforcement-related issues are published regularly.

GOAL II ENFORCE REGULATIONS - TALCB

To safeguard the public interest by effectively and efficiently enforcing the laws and rules of the agency in a fair and consistent manner. (Texas Occupations Code, Chapters 1103, and 1104, and 22 Tex. Admin. Code Chapters 153, 155, 157 and 159).

SPECIFIC ACTION ITEMS TO ACHIEVE YOUR GOAL

The Texas Appraiser Licensing and Certification Board's Standards & Enforcement Services Division ("TALCB SES" or "the division") investigates and resolves a high volume of signed, written complaints from the public, industry stakeholders and license holders, along with a smaller number of staffinitiated complaints. The division does not accept anonymous complaints and does not conduct covert investigations except when authorized by law. Complaints mostly involve allegations of violations of the Uniform Standards of Professional Appraisal Practice ("USPAP"), the nationwide standards adopted by the Texas legislature as the minimum professional standards for conducting credible and reliable real estate appraisal activity. The division also handles complaints against appraisal management companies ("AMC's") for alleged statutory and regulatory violations. In addition, the division processes complaints involving violations by unlicensed persons engaging in activities for which a license is required.

The division is also charged with evaluating two aspects of applications for licensure. First, the division reviews the criminal history of appraiser applicants and key personnel of AMC's. To ensure continued protection for the citizens of Texas, each license holder is also enrolled in an automatic rap back program to allow TALCB SES to be notified of any new criminal history conviction information that may impact license holder's current license status or renewal. Second the division conducts experience audits of all appraiser license applications for all licensure categories (licensed, certified residential, and certified general), which includes reviewing license holder work product for compliance with USPAP. Consistent with federal oversight requirements and state law, successful completion of the experience audit and criminal history background check is a prerequisite to the Board's issuance of a license to an applicant.

In addition, the division provides assistance to law enforcement and prosecutors upon request under Tex. Penal Code § 32.32. Law enforcement or prosecutorial agencies may request such assistance by submitting a written request for assistance ("RFA") to TALCB SES.

To achieve efficient enforcement, TALCB has hired additional staff, engaged external contractors, and improved internal metrics to ensure that cases are resolved in a timely manner.

DESCRIBE HOW YOUR GOAL OR ACTION ITEMS SUPPORTS EACH STATEWIDE OBJECTIVE

1. Accountable to tax and fee payers of Texas.

The Board protects the citizens of Texas through timely, fair and consistent enforcement of the Texas Appraiser Licensing and Certification Act (Texas Occupations Code Ch. 1103) (the "Act") and the Texas Appraisal Management Company Registration and Regulation Act (Texas Occupations Code Ch. 1104) (the "AMC Act"). TALCB SES investigates and resolves complaints against licensed appraisers and AMC's, and where appropriate, takes remedially oriented disciplinary action to protect the public. TALCB also takes action against unlicensed activity, and cooperates with sister state and federal regulatory agencies and law enforcement / prosecutors upon request for those matters which may involve criminal conduct. The division reviews and audits applicants as required by law to ensure those issued a license have the requisite honesty, trustworthiness and integrity and minimum competency necessary to protect the public.

2. Efficient such that maximum results are produced with a minimum waste of taxpayer funds, including through the elimination of redundant and non-core functions.

As of April, 2020 the division has 14 staff positions comprised of 7 appraiser investigators, 4 support staff, 2 attorneys, and a division director. In addition to its 7 appraiser investigators, the agency augments its investigative staff in two ways: First, the Board relies on Board appointed, volunteer members of the statutorily authorized Peer Investigative Committees (PICs) to review appraisals subject to a complaint. Tex. Occ. Code § 1103.453. Each PIC member is a volunteer who is an active real estate appraiser and AQB Certified USPAP Instructor who meets the qualifying criteria prescribed by the Board. The PIC process is managed by the division director. In addition, the Board relies on contract appraisers to provide appraisal review services in connection with the division's experience audit function. The division has significantly reduced its backlog of aged complaints and experience audits in recent years. Most recently, the division has reduced the average complaint resolution timeframe from over 300 days, to roughly 200 days, in ongoing efforts to meet its new goal of a 180-day average complaint resolution timeframe. During the past 6 years, the division continues to achieve the previously elusive 1-year or less timeframe set by the Board's federal oversight body (the Appraisal Subcommittee or "ASC") for resolution of complaints. In February 2020 the Appraisal Subcommittee (ASC) completed an audit of the Board's program. The ASC provides federal oversight of a state's appraisal regulatory program. The ASC gave TALCB program a rating of "excellent" (the highest rating available). As of February 2020, TALC SES resolves most complaint matters within 218 days and triages complaints within the first 90 days.

3. Effective in successfully fulfilling core functions, measuring success in achieving performance measures and implementing plans to continuously improve.

During FY 2019, TALCB SES received 151 cases and closed 180. In FY 2019 approximately 48% of resolved complaints resulted in disciplinary action, with the remaining roughly 52% being dismissed. The majority of the complaints arise from alleged violations of USPAP, but may also include allegations about unlicensed activity, misleading conduct, or prohibited business practices. After receiving a complaint, the division notifies the license holder and requests that the license holder respond in writing and submit certain documentation responsive to the complaint. If fraud is alleged, the complaint may be handled covertly, as required by Tex. Gov't Code § 402.033 and Penal Code § 32.32. Once the complaint is screened to ensure the Board has jurisdiction, the division notifies the license holder or other Respondent and gives the person an opportunity to respond. After receipt of the response materials, the complaint is then assigned to an investigator to complete an investigation. During the pendency of a complaint, information and documentation concerning the complaint is generally kept confidential. Tex. Occ. Code §§ 1103.460 and 1104.2082. At present, roughly 72% of all complaint matters result in a dismissal after investigation. Dismissals include complaints involving the issuance of non-disciplinary warning letters or contingent dismissals (in which completion of remedial education or mentorship is required prior to dismissal). In the remaining roughly 28% of the complaints, disciplinary action is warranted, and the division attempts to resolve the complaint by agreement, and with a remedial focus whenever possible, consistent with a Board-approved disciplinary matrix adopted by rule. Such agreements take the form of an agreed final order or voluntary surrender of the license and are approved by the Board. If an agreement cannot be reached between staff and the Respondent, TALCB SES pursues formal disciplinary action via the contested case hearing process at the State Office of Administrative Hearings (SOAH). Regular staff meetings and periodic case management meetings are used to ensure complaints are timely processed, investigated and appropriately resolved.

During FY 2019 the division also received 204 experience audits and closed 223. Out of those audits closed in FY 2019, 9 resulted in application denials. Typically, two properties from the applicant's experience log are requested and reviewed by a staff investigator for general compliance with USPAP. After review of the applicant's work product for USPAP compliance, the investigator makes a recommendation on whether to approve the audit. In certain borderline instances, an applicant is approved contingent upon completion of additional education or mentorship. In addition, all applicants' criminal history is reviewed by staff. Consistent with Tex. Occ. Code Chapter 53 and Board rules, certain criminal convictions may serve as grounds for denying an application. If denied on either basis, an applicant has 30 days to appeal the denial by notifying the division in writing. Appeals of application denials go through the regular contested case hearing process at SOAH. During 2019 as a result of a change in the federally mandated Appraiser Qualifications Criteria ("ABQ"), the number of applicants (and therefore corresponding experience audits) significantly increased (roughly 15%). This, coupled with staffing shortages, led to an increase in the average resolution timeframe for experience audits, particularly commercial experience audits. However, with the addition of 4 new staff members and use of independent contractors, TALCB SES worked to eliminate this backlog in 2019 and 2020 and is now resolving experience audits with the 30-60day timeframe expectation set by the Board. Regular staff meetings and periodic case management meetings are used to ensure experience audits are timely processed, investigated and appropriately resolved.

In 2017, the Texas Legislature passed legislation abolishing the Texas Residential Mortgage Fraud Task Force. During its roughly 10-year existence, TALCB SES was a member of the Task Force. During that time, 148 requests for assistance from state and federal law enforcement and prosecutorial agencies have been received, 147 of these have been resolved. This assistance has led to several indictments, prosecutions and convictions of licensed appraisers for criminal conduct. Despite abolishment of the formal Task Force, TALCB SES continues to cooperate with and make referrals to state and federal law enforcement and prosecutorial agencies when appropriate and as required by Tex. Penal Code § 32.32. During FY 2019 the division received 1 RFA seeking assistance with appraisal related matters involving potential criminal conduct. As of April, 2020 TALCB SES is assisting in 4 RFA matters.

4. Providing excellent customer services.

The division regularly responds to inquiries from the public and license holders most frequently by telephone and e-mail. The division has а dedicated e-mail address (enforcement.talcb@trec.texas.gov) to serve this purpose. Depending on the nature of the inquiry an investigator or attorney will respond to the inquiry. As of February, 2020 the division maintains a caseload in which matters are resolved on average within 218 days and triages cases within the first 90 days in an effort to resolve complaints efficiently so that the concerns and needs of license holders and the public are addressed as promptly as possible. The Board also maintains a website that provides detailed information about the complaint process, including an online complaint information handbook and a license application tracker that includes the ability to check the status of an applicant's experience audit online. TALCB SES has also instituted regular surveys to complainants, respondents and applicants to assist in monitoring customer service efforts and areas for improvement. Additionally, TALCB SES holds investigative conferences with respondents as part of the complaint resolution process or applicants as part of the audit process in an effort to address their concerns and will occasionally meet with those have filed complaints when necessary to address their concerns.

5. Transparent such that agency actions can be understood by any Texan.

The Board maintains a website (www.talcb.texas.gov) which provides extensive information about the complaint process to the public, license holders and industry stakeholders alike. Under the "Public" tab on the Board's home page separate sections addressing a variety of topics, including: (1) consumer information; (2) the complaint filing process; (3) how to obtain public information: (4) a license holder search function, (5) frequently asked questions and news and (6) disciplinary actions are readily available. Links are also provided to a .pdf copy of the Board's complaint form, as well as a flow chart of the complaint process and links to the agency's rules and laws. TALCB SES has also created an online complaint information handbook and a license application tracker that includes the ability to check the status of an applicant's experience audit online. Short, informative videos regarding the complaint and experience audit processes are also available on the website. Additionally, in an effort to keep Texans well informed about the regulatory process and new developments in the industry, the Board provides staff to speak throughout the state to stakeholders, trade groups, other associations and public groups, addressing the enforcement process and current topics and trends.

GOAL III COMMUNICATE EFFECTIVELY

To communicate with license holders and create a customer centric environment that promotes transparency and excellent delivery of customer service. Information provided will be reliable, accurate, and timely in order to promote informed decisions in Texas real estate transactions. (Texas Occupations Code, Chapters 1101, 1102, 1103, 1104, and 1303, and Texas Property Code, Chapter 221)

SPECIFIC ACTION ITEMS TO ACHIEVE YOUR GOAL

- 1. Providing excellent customer service
 - Specially trained customer service representatives that are committed to making the customer experience superior
 - Anticipating the needs of every customer and staying knowledgeable on agency rules and policies to provide online assistance and guidance to consumers
 - Responding to emails and customer satisfaction surveys within 2 business day time frame
- 2. Ongoing Contact Center Enhancements:
 - The agency is committed to maintaining low hold times by utilizing features such as courtesy callback, precision call queuing, call recording for training purposes, customer satisfaction surveys, and faster email.
- 3. Online technology:
 - Constantly updating the agency's website with current information, displaying application processing dates, ability to check status of applications, and tools to determine the number of CE credits required to renew a license.

DESCRIBE HOW YOUR GOAL OR ACTION ITEMS SUPPORTS EACH STATEWIDE OBJECTIVE

1. Accountable to tax and fee payers of Texas.

Customer service representatives assist license holders with online transactions which eliminates the cost associated with printing and mailing of paper applications.

License holders are informed of their license renewal status which assists them on making decisions of the appropriate time for online renewals. Prospective license holders are provided with online assistance via phone and/or email for initial applications.

2. Effective in successfully fulfilling core functions, measuring success in achieving performance measures and implementing plans to continuously improve.

All customer service representatives are expected to handle calls with professionalism and patience. All calls presented to the Texas Real Estate Commission and the Texas Appraiser Licensing and Certification Board will be answered with a greeting thanking the customer for calling, providing a name, and expressing an interest to assist with any questions or concerns. Customer's inquiries will be acknowledged and active listening, empathy, professional tone, and call control will be practiced while clear and concise guidance is provided. At the completion of every call,

representatives will ensure all needs have been met and the customer's record will be updated with a summary of the conversation.

3. Providing excellent customer services.

The Texas Real Estate Commission and the Texas Appraiser Licensing and Certification Board offers exceptional customer service by telephone, emails, and in person.

Each customer service representative is hired with applicable skills and show proven examples of providing excellent customer service in previous positions. Once hired, a 4-week, hands-on training is provided before staff is permitted to assist TREC/TALCB customers. After initial training, each representative is provided with feedback on calls and emails through the agency's quality monitoring program. Refresher training is provided on a consistent basis to all staff to stay up to date on various topics of concern.

The agency is committed to ensure that persons contacting the agency receive the best service possible, as quickly as possible. Since April, 2019 the division has maintained an average monthly hold time of less than 2 minutes. In addition, the percentage of all customers that abandoned a call before speaking to a representative is less than 6%.

Since May, 2019 the division has responded to 100% of emails within 2 business days but has recently established a new goal of responding to all emails within 1 business day. In January, 2020 the division started tracking the number and currently and average of 86% of emails have been answered in 1 business day.

The agency is also a member of the Austin Contact Center Alliance (ACCA). The ACCA provides a resource for posting vacant positions, job specific training for staff, and solutions to common challenges contact centers face. This ensures the agency remains at the cutting edge of technology and has skillsets needed to provide excellent customer service.

Customer Service Surveys are responded within two business days by phone or email.

4. Transparent such that agency actions can be understood by any Texan.

The agency regularly communicates with the public through various mechanisms, including the website, social media, and statewide strategic planning and engagement tours.

GOAL IV WORK WITH HUBS

To implement purchasing policies encouraging the use of historically underutilized businesses (HUBs). (Texas Government Code, §2161.123)

SPECIFIC ACTION ITEMS TO ACHIEVE YOUR GOAL

- 1. Utilize HUB vendors for non-competitive spot purchases of \$5,000 or less
- 2. Solicit a minimum of two certified HUB vendors when available for purchases over \$5,000

- 3. Attend HUB related meetings and forums to network with vendors and gain new knowledge of HUB vendors
- 4. Encourage and assist vendors who qualify as HUB vendors to become HUB certified by CPA's Statewide Procurement Division (SPD) and to maintain their HUB certification through CPA's Statewide HUB Program.
- 5. Encourage non-HUB vendors to subcontract with certified HUB vendors, pairing mentors with protégés.
- 6. Exceed the bid advertisement requirement of obtaining more than two HUB bids from the Centralized Master Bidders List (CMBL) for purchases over \$5,000.
- 7. Maintain positive working relationships with the current HUB vendors
- 8. Track HUB quarterly performance measures

DESCRIBE HOW YOUR GOAL OR ACTION ITEMS SUPPORTS EACH STATEWIDE OBJECTIVE

1. Accountable to tax and fee payers of Texas.

By maintaining a robust program for HUB, the agency ensures that its financial investment in HUB businesses meets the highest standards for quality products and services. Tax and fee payers may access reports detailing HUB utilization directly through the agency website.

2. Efficient by producing maximum results with no waste of taxpayer funds, and by identifying any function or provision considered redundant or not cost-effective.

The agency maximizes the HUB vendor pool by trading on historical relationships, and utilizing these businesses at every appropriate opportunity.

3. Effective by successfully fulfilling core functions, achieving performance measures, and implementing plans to continuously improve.

Daily processes for purchasing incorporate activities designed to meet the agency's HUB goal of 30% utilization which is regularly exceeded, and which is significantly higher than the state average. (see chart page 45)

4. Attentive to providing excellent customer service.

TREC is committed to excellent customer service which is seen in its HUB vendor relationships. The agency makes significant efforts to include HUBs when making purchasing decisions, especially by utilizing them in a manner that exceeds state bidding requirements and significant utilization for non-competitive spot purchases.

5. Transparent such that agency actions can be understood by any Texan.

The attached HUB report and chart provide a clear picture of the actions that TREC takes to accomplish the goal. As previously noted, this information is readily available via the agency website.

(6) Notes to the 5 Year Trend Performance Data for Fiscal Years 2016-2020

- (a) The number of full-time equivalent positions at the agency has fluctuated over the last five years to accommodate the increased workload responsive to the growing Texas real estate profession. Reporting numbers trend upward with a 43% increase from FY 16-FY20 (year-end). See Measures Table (i) for Total Number of License Holders.
- (b) Number of complaints received from public and from agency staff. Trend increases for both measures across TREC and TALCB can be attributed to a number of factors: increase in license holders (see Measures Table (i)), changes to how measures are tracked, as well as a change in criminal history background check statutes. In addition, TALCB changed the process for staff-initiated complaints. Historically, each separate violation was a separate complaint. However, in FY20, TALCB moved away from this and included all violations in a single complaint. This has reduced the total numbers of staff-initiated complaints.
- (c) Number of complaints dismissed and resolved by enforcement action data self-explanatory. Changes in numbers may be driven by increase in license holder counts – see (i) and agency approach to managing workload and implementing changes to laws.
- (d) Number of enforcement actions by sanction type see Appendix A TREC and Appendix B -TALCB
- (e) Number of enforcement cases closed through voluntary compliance. Neither TREC nor TALCB have "voluntary compliance" as a tool within the applicable controlling statute.
- (f) Amount of administrative penalties assessed and rate of collection are relatively consistent across five years for TREC; for TALCB there has been increased penalties which are not always "collectable". Trends in increased penalties consistent with increased license holder activity and increased complaints.
- (g) The number of enforcement cases that allege a threat to public health, safety, or welfare or a violation of professional standards of care and the disposition of those case. This measure is defined by the agency as only those cases which result in a temporary suspension (Tex. Occ. Code Sec. 1101.662; Tex. Occ. Code Sec. 1103.5511). In 2019, TALCB had 26 temporary suspension complaints. In 2020, TALCB had 10 temporary suspension cases. The decrease in complaints resulting in temporary suspension is caused by the reasons set forth in (b). The number of respondents temporarily suspended in both years is 4.
- (h) The average time to resolve a complaint. Both TREC and TALCB, have seen an increase in the number of license holders. Despite the increase, complaint resolution times continue to decrease. The rate of resolution for TALCB was addressed in FY19 to meet sunset standards by adding increased number of FTEs – see (a). In addition, TALCB implemented process efficiencies to further reduce the complaint processing time. This trend continued in FY20.
- (i) The number of license holders or regulated persons broken down by type of license and license status including inactive status or retired status. See Appendix C TREC and Appendix D TALCB.
- (j) The fee charged to issue and renew each type of license, certificate, or registration issued by the agency. See Appendix E TREC and Appendix F TALCB Fee Schedules.
- (k) The average time to issue a license, certificate or registration. This measure was not tracked accurately until IT vendor programming provided a specific fix in the last quarter of FY 2019 in response to the critique of this measure's unreliable attribute in our Sunset Review. For FY2019,

data reported is for the last calendar quarter of that year. For FY2020, data is provided in Appendix G.

- (I) Litigation costs, broken down by administrative hearings, judicial proceedings, and outside counsel costs. Agency is not billed separately for judicial proceedings; all other costs are from Office of Attorney General and State Office of Administrative Hearings actual costs.
- (m) Reserve Balances in Appendices G and H show the breakdown for TREC and TALCB. In 2019, both the Commission and Board repurposed Long Term Facility reserve funds and transferred the balances to a Reserve for Strategic Projects and a Customer Service Reserve respectively, in accord with the agency's Investment and Reserve policies. These reserve funds were used to address increased expenses for new personnel, upgraded equipment and facility remodeling for expansion in FY2020. The Commission and Board approved the elimination of the Reserve for Strategic Projects, Technology Reserve, and Customer Service Reserve and are using excess fund balances to offset the FY2021 Budget Operating Losses, as shown on the attached FY2021 Operating Budgets for both the Commission and Board.

TALCB maintains an Education Reserve which was funded by any collected administrative penalties. Sunset legislation redirected all such future penalties received from Appraisers to the general revenue fund effective in FY2020. TALCB continues to deposit administrative penalties collected from Appraisal Management Companies to the Education Reserve and maintains a balance that includes monies collected prior to the Sunset legislation.
